COPYRIGHT MATERIAL POLICY:

All material contained in this catalog is, unless otherwise stated, the property of Raphael's School of Beauty Culture. Reproduction or retransmission of the materials, in whole or in part, in any manner, without prior written consent of the copyright holder, is a violation of copyright law.

Raphael's School of Beauty Culture abides by the provisions of the federal Digital Millennium Copyright Act (DMCA), which requires prompt response to claims of copyright infringement by copyright holders or their agents. If the school receives an allegation of copyright infringement based on your use of the school's computers, the matter will be referred to the Divisional Director for further investigation. If you are found responsible after meeting with the Divisional Director, you are subject to disciplinary action including loss of network access, suspension or termination from school, and/or restitution or community service.

The Internet is an essential tool in everyone's lives for both academic and everyday pursuits. Along with these benefits come responsibilities. One of the most critical is conforming to the copyright laws governing music, movies, games, and software over the Internet. You must have the consent of the copyright holder to make copies.

DETERMINING FINANCIAL NEED:

The student's financial need is the difference between the actual cost of their education and the amount that the student (or parents) will contribute (the EFC). Financial Aid is then used to cover the gap between these contributions and the total cost of the student's education.

The student's Expected Family Contribution (EFC) subtracted from the Cost of Attendance (COA), which consists of tuition, fees, books, kits and supplies, determines the student's financial need.

Each school and each program within the school has a different student expense budget. This will depend upon the tuition, course length, books, fee, supplies, etc. Actual tuition, books, fees, and supplies for a program in which the student enrolls can be obtained from the school's Admissions Representative.

VOTER REGISTRATION:

Students are encouraged to register to vote in State and Federal elections. Students can register to vote and find information on elections in their area by visiting www.sos.state.oh.us.

NON-DISCRIMINATION POLICY:

The School does not discriminate on the basis of race, creed, color, religion, sex, sexual orientation, gender identity, disability, age, marital status, national origin, ethnic origin, or Vietnam-era/disabled veteran, or on any other basis prohibited by federal or state law, in employment or in its education programs or activities.

Further, the School is required by Title IX of the Higher Education Act not to discriminate on the basis of sex in such a manner. Questions regarding Title IX may be referred to the School's Title IX coordinator or to the U.S. Department of Education's Office of Civil Rights ("OCR"). The School's Title IX coordinator is Felicia Seifert. She may be contacted at (330) 782-3395 ext. 1107 or by email at titleix@raphaelsbeautyschool.edu.

ACCESS TO ACADEMIC RECORDS:

In accordance with OAC 4713-5-11, students and parents or guardians of dependent minors have the right to gain access to their cumulative records by appointment under the supervision of an instructor. Information pertaining to a student's cumulative record will be released within 3 days of written request for currently enrolled students and within 10 days for students no longer enrolled, upon written instructions and/or written permission (per request) of the student and/or guardian if the student is under legal age or to any regulatory agency, such as NACCAS, that may request this information. A fee of \$15.00 will be charged for all written requests for a copy of student's file from the student and/or guardian if the student is under legal age.

LEAVE OF ABSENCE POLICY:

Students who have completed a minimum of 15% of their contracted hours are permitted to take a leave of absence for any reason for a minimum of 30 days and a maximum of 180 days, as long as the student follows the school policy for requesting a leave of absence. The request must be made in advance in writing, must include the reason for the student's request and be signed by the student, and there must be a reasonable expectation that the student will return to school. A leave of absence may be granted to a student who did not request the LOA in advance due to unforeseen circumstances, for example, sudden illness or accident, only with proper documentation supporting the circumstance and the institution documents the reason for this decision. In this case, the beginning date of the approved LOA will be determined to be the first date the student was unable to attend because of the circumstance and the request will be collected at a later date. Students will not be permitted to take more than one leave of absence during any 12-month period unless documented extenuating circumstances exist that are approved by the school director and the student has not exceeded 180 days in a 12-month period. The student's satisfactory progress will be the same when returning from a leave of absence as it was before the leave. Students who receive Veteran's Benefits and take a leave of absence will have their benefits paused. If extenuating circumstances exist, the school director may make exceptions on a case by case basis to the minimum hours completed requirement. The student will not be charged any additional fees. Upon returning from the leave of absence, the student's contract end date and maximum time frame will be extended by the same number of calendar days taken in the leave of absence. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. A student who has been granted an LOA is not considered to have withdrawn and no refund calculation is required. If a student takes an unapproved LOA or does not return on or before the end date indicated on their approved LOA form, the student will then be considered to have withdrawn, the proper State Board will be notified and a refund calculation will be required. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

PHYSICAL DEMANDS (Advanced Cosmetologist, Cosmetologist, Cosmetologist Advanced, Advanced Esthetician, Advanced Manicurist, and Combination Advanced Esthetics & Advanced Manicurist, and Barbering [Niles campus only]):

There are several physical factors to consider when you are trying to decide if cosmetology or Barber would be the best career for you. Stylists and barbers usually work on an appointment schedule in a salon/barber shop and once their clientele is developed, their day is many times busy and hectic. Not only are they working with their hands and arms as they perform services on their clients, but they are also standing much of the day. It's also essential that you consider your hand and eye coordination as well as dexterity. Health, endurance and energy level are very important to your success in the field of cosmetology.

Your personality is just as important as your physical abilities. Consider the following: Do you enjoy meeting new people? Do you smile easily? Is it fairly easy for you to talk with people you've just met? Do you realize that your "people skills" will account for well over 50% of your success?

At Raphael's School of Beauty Culture we will spend a great deal of time helping you develop these skills. With practice, you can achieve these stylist/client communication abilities that are so necessary in the salon. They can only be acquired if you sincerely apply yourself, because your attitude and personality truly come from within you, and only you can develop and improve them. To insure your success, make it one of your major goals during the course.

PHYSICAL DEMANDS (Massage Therapy, Boardman campus only):

Excellent training and its proper application is also necessary for massage therapists to be able to cope with the physical demands of the work. Without proper technique, massage therapists themselves are prone to injury. They stand for long periods of time, often in awkward postures. They use repetitive movements. They have to apply so much pressure with their own hands, putting their own nerves, muscles, ligaments and tendons under constant stress. Each session is very tiring.

Because of the nature of the work, massage therapists cannot have themselves booked eight hours a day, seven days a week. Most schedule only three to six hours of massage sessions per day. There has to be enough rest and recovery time between sessions. This will also ensure that the therapist is able to give optimum service.

SAFETY PRECAUTIONS (Advanced Cosmetologist, Cosmetologist, Cosmetologist Advanced, Advanced Esthetician, Advanced Manicurist, and Combination Advanced Esthetics & Advanced Manicurist, and Barbering [Niles campus only]):

It is important that safety must come first when working in a salon or barber shop with different types of chemicals. Throughout your career in the cosmetology or Barber field, you will be working with many types of chemicals and potentially hazardous materials such as hair color, permanent waves, chemical relaxing products, and artificial nail products. As you proceed through your course, you will learn safety precautions that will need to be followed when working with these chemicals to protect yourself as well as your clientele. There are other safety hazards in the salon or barber shop that may surprise you such as....water. Any water left on the floor is inviting someone to slip and injure themselves. As well as water on the floor, scalding hot water is a potential hazard. Our schools are equipped with vacuum breakers in the shampoo bowls to regulate the water temperature and prevent anyone from being scalded with hot water. All of our schools are equipped with a first aid kit which includes eye wash, bandages, and ointments to treat any injuries that may occur in spite of following safety precautions.

SAFETY PRECAUTIONS (Massage Therapy, Boardman campus only):

In order to provide a relaxing safe-haven for the client, massage therapists need to address safety and security precautions. The best safety measure is prevention. Awareness of the potential hazards is a fundamental to creating a plan to address safety risks. One of the first steps should be to assess what areas of your business could provide potential safety hazards. Physical safety features to the office or building, medical preparedness, and personal security should all be considered. Visit www.amtamassage.org for more career guidance.

Definitions: The definition of a wage for the Occupational Employment Statistics (OES) program is straight-time, gross pay, exclusive of premium pay. Among the inclusions in the wage are base rate, cost-of-living allowances, guaranteed pay, hazardous-duty pay, incentive pay including commissions and production bonuses, and on-call pay. Some exclusions from the wage are back pay, jury duty pay, overtime pay, severance pay, shift differentials, non-production bonuses, and tuition reimbursements. Wages shown do not include tips which average 10—25%.

Employment: The Occupation Employment Statistics Survey defines employment as the number of workers who can be classified as full or part-time employees; workers on paid leave; paid owners, officers and staff of incorporated firms and workers assigned temporarily to other units. Excluded are contractors and temporary agency employees not on the payroll; unpaid family workers; workers on unpaid leave and proprietors, owners and partners of unincorporated firms.

Employment represents the estimate of total wage and salary employment in an occupation across the industries in which it was surveyed. Not every occupation appears on the every survey form. Entry Wage

The entry wage is the average of the lowest third of the wage distribution.

25th Percentile Wage

STUDENT ADVISING AND EVALUATIONS:

Students are evaluated for Satisfactory Academic Progress as follows:

Advanced Cosmetologist (1800 hours)	450, 900, 1350 actual clock hours
Cosmetologist (1500 hours)	450, 900, 1200 actual clock hours
Barbering (Niles campus only) (1800 hours)	450, 900, 1350 actual clock hours
Combination Advanced Esthetics & Advanced Manicurist (1050 hours)	450, 900 actual clock hours
Massage Therapy (Boardman campus only) (900 hours)	450 actual clock hours
Advanced Esthetician (750 hours)	375 actual clock hours
Advanced Manicurist (300 hours)	150 actual clock hours
Cosmetologist Advanced (300 hours)	150 actual clock hours

Any SAP evaluation point under 900 hours is considered to take place in the student's first academic year. Any SAP evaluation point at or over 900 hours is considered to take place in the student's second academic year. Transfer students are evaluated at the midpoint of the contracted hours or the School's established evaluation periods, whichever comes first. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

GRADING POLICY:

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass a final written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

A = 90% - 100%	Excellent
B = 80% - 89%	Good
C = 70% - 79%	Satisfactory
F = 69% and below	Failing

Students must maintain a "C" average (a minimum of 70%) in order to be making satisfactory progress. Students are responsible for making up any work missed due to an absence or scheduled day off and may do so on their next scheduled day of attendance.

REFUND POLICY:

1. If a student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her contract and demands his/her money back in writing within three business days of the clocking of the enrollment agreement, all monies collected by the school shall be refunded. The cancellation date will be determined by the postmark on written notification or the date said information is delivered to the school's administration in person, whichever is earlier. This policy applies regardless of whether or not the student has actually started training. This policy applies to all terminations, for any reason, by either party, including student decision, course or program cancellation, or school closure. This policy complies with the mandated policy.
2. If a student cancels his enrollment after three business days after the signing of the enrollment agreement, but prior to entering classes, he shall be entitled to a refund of all monies paid to the school less the registration fee of \$100.00 for the Advanced Cosmetologist, Cosmetologist, Advanced Esthetician, Advanced Manicurist, Combination Advanced Esthetics & Advanced Manicurist, Barbering, and Cosmetologist Advanced courses.
3. For students who receive Federal financial aid and enroll in and begin classes, the school will calculate the Federal Return of Title IV Aid to determine how much Pell Grant and Title IV funds must be returned to the Department of Education. The school will then calculate a refund using the school's refund method to determine the total charges the student owes. The school will then deduct the net amount of financial aid and any cash payments from what the student owes to determine the balance the student owes, if any. If a balance remains (this includes cash students), the student must pay the amount due or make satisfactory payment arrangements with the school within 30 days or the student's account will be turned over to an independent collection agency. For cash students, the school will calculate a refund using the school's refund method to determine the total charges the student owes and deduct any cash payments to determine the balance due, if any. If a credit balance occurs on a student account, it will be refunded to the student within 14 days. Any monies due a student who withdraws from the institution shall be refunded within 45 days of a determination that a student has withdrawn, whether officially or unofficially.

School Refund Method

Scheduled Hrs. Elapsed in Program	Amount of Tuition Owed to School
0.001% to 4.9%	20%
5% to 9.9%	30%
10% to 14.9%	40%
15% to 24.9%	45%
25% to 49.9%	70%
50% and over	100%

4. Enrollment time is defined as the time elapsed between the actual starting date and the date of the student's last day of physical attendance in the school. Any monies due the applicant, student, or Department of Education shall be refunded within 45 days of formal cancellation by the student as defined in item (2) or a formal termination by the school, which shall occur no more than 30 days from the last day of physical attendance. Order in which refunds will be made is Unsubsidized loan, Subsidized loan, Parent Plus loan, then Pell Grant. Formal termination by the school of a student's enrollment shall occur within 30 days of a determination by the school that the student has withdrawn without notifying the school. Unofficial withdrawals for clock hour students are determined by the school through monitoring clock hour attendance at least every thirty (30) days. Enrollment time for the purpose of calculating refunds is defined as the time elapsed between the actual starting date and the student's last day of physical attendance. A refund may account for any absence time that occurs during the student's enrollment period. For a student who is on an approved leave of absence that notifies the school that he or she will not be returning, the date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.

Post Withdrawal Disbursement: We will credit the student's account with the post-withdrawal disbursement for current charges within 180 days of the date of determination. We will disburse any amount of a post-withdrawal disbursement of grant funds that is not credited to the student's account.

5. For students who receive Federal financial aid and enroll in and begin classes, the school will calculate the Federal Return of Title IV Aid to determine how much Pell Grant and Title IV funds must be returned to the Department of Education. The school will then calculate a refund using the school's refund method to determine the total charges the student owes. The school will then deduct the net amount of financial aid and any cash payments from what the student owes to determine the balance the student owes, if any. If a balance remains (this includes cash students), the student must pay the amount due or make satisfactory payment arrangements with the school within 30 days or the student's account will be turned over to an independent collection agency. If a credit balance occurs on a student account, it will be refunded within 14 days. Monies due a student who withdraws from the institution shall be refunded within forty-five (45) days of a determination that a student has withdrawn, whether officially or unofficially.

6. In the case of illness or disabling accident, death in the immediate family or other circumstance beyond the control of the student, the school makes a settlement which is fair to both.

7. If a school closes permanently and ceases to offer instruction after students have enrolled, and instruction has begun, the school must make arrangements for students. The school has, at its option; a) provide a pro rata refund; or b) participate in a teach-out agreement.

8. If a school cancels a course and/or program and ceases to offer instruction after students have enrolled and instruction has begun the school, at its option, may; a) provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school; or b) provide completion of the course; or c) participate in a teach-out agreement; or d) provide a full refund of all monies paid.
9. If a course and/or program is canceled subsequent to a student's enrollment, and before instruction in the course and/or program has begun, the school shall at its option: a) provide a full refund of all monies paid; or b) provide completion of the course and/or program.
10. A termination fee of \$100.00 or 5% of the tuition, whichever is less, will be charged. This applies to all programs.
11. If a student is absent for a period of 30 days, a re-enrollment fee of \$50 will be charged.
12. If an applicant is not accepted by the school, he is entitled to a refund of all monies paid.
13. If a student is expelled by the school, the above policy applies.
14. Fees not included in the tuition include a \$500.00 course transfer fee, a \$40.00 registration fee to the state of Ohio for the barbering course only, any extra instructional charges at the course's hourly rate incurred by not completing all contracted hours by the contract end date, and any books and supplies needed to complete the course. These items are non-refundable.

FINANCIAL AID:

We offer Federal Pell Grants, which do not have to be repaid as long as the student completes the course, and Federal Direct Student Loans, which must be repaid, to those students who qualify. Financial aid is available at all locations.

SATISFACTORY ACADEMIC PROGRESS POLICY:

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulation established by the United States Department of Education. Students are evaluated on both cumulative quantitative and qualitative elements at designated period throughout the program.

1. Evaluation Periods: Students are evaluated for SAP at the end of the following evaluation periods:

Advanced Cosmetologist (1800 hours)	Barbering— <i>Niles campus only</i> (1800 hours)
450 actual clock hours and 16 weeks	450 actual clock hours and 14 weeks
900 actual clock hours and 32 weeks	900 actual clock hours and 28 weeks
1350 actual clock hours and 48 weeks	1350 actual clock hours and 42 weeks
Cosmetologist (1500 hours)	Combination Advanced Esthetics & Advanced Manicurist (1050 hours)
450 actual clock hours and 16 weeks	450 actual clock hours and 16 weeks
900 actual clock hours and 32 weeks	900 actual clock hours and 32 weeks
1200 actual clock hours and 43 weeks	
Massage Therapy— <i>Boardman campus only</i> (900 hours)	450 actual clock hours and 22 weeks
Advanced Esthetician (750 hours)	375 actual clock hours and 13 weeks
Advanced Manicurist (300 hours)	150 actual clock hours and 5.5 weeks
Cosmetologist Advanced (300 hours)	150 actual clock hours and 5.5 weeks

Any SAP evaluation point under 900 hours is considered to take place in the student's first academic year. Any SAP evaluation point at or over 900 hours is considered to take place in the student's second academic year. Transfer students are evaluated at the midpoint of the contracted hours or the School's established evaluation periods, whichever comes first. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

Example: A student brings 506 hours into an 1800 hour cosmetology program. Their evaluations would occur at the end of the following periods: 450 actual clock hours and 16 weeks, 900 actual hours and 32 weeks, 1097 actual clock hours and 39 weeks.

2. Attendance Progress Evaluations:

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

3. Maximum Time Frame:

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated:

		MAXIMUM TIME ALLOWED	
		WEEKS	SCHEDULED HOURS
COURSE			
Advanced Cosmetologist	Full Time (28 hrs/wk) – 1800 Hours	97	2700
Advanced Cosmetologist	Part time (19 hrs/wk) – 1800 Hours	143	2700
Cosmetologist	Full Time (28 hrs/wk) – 1500 Hours	81	2250
Cosmetologist	Part Time (19 hrs/wk) – 1500 Hours	119	2250
Barbering	Full Time (32 hrs/wk) – 1800 Hours	85	2700
Combination Advanced Esthetics & Advanced Manicurist	Full Time (28 hrs/wk) – 1050 Hours	57	1575
Massage Therapy	Part Time (20 hrs/wk) – 900 Hours	68	1350
Advanced Esthetician	Full Time (28 hrs/wk) – 750 Hours	41	1125
Advanced Manicurist	Full Time (28 hrs/wk) – 300 Hours	16	450
Cosmetologist Advanced	Full Time (28 hrs/wk) – 300 Hours	16	450

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 67% of the scheduled contracted hours. If a student has a period of time when no financial aid is disbursed, those hours that the student attended will count toward the maximum time frame. Students who have not completed the course within the maximum timeframe will be terminated but may apply for re-enrollment as a student at the institution on a cash pay basis.

4. Academic Progress Evaluations:

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

- A = 90% - 100% Excellent
- B = 80% - 89% Good
- C = 70% - 79% Satisfactory
- F = 69% and below Failing

5. Determination of Progress Status:

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation. Copies of Satisfactory Progress Reports will be provided to students electronically or by hardcopy. Evaluations will be may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

6. Transfer Hours

Hours that are transferred by a student from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual hours attended at Raphael's School of Beauty Culture.

7. Warning:

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

8. Probation:

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

9. SAP Appeal Process:

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

10. Reinstatement of Financial Aid:

A student's financial aid may be reinstated as soon as they regain satisfactory progress status, or have successfully appealed for reinstatement and have been placed on (SAP) probation until their next scheduled evaluation. The student will receive financial aid for any hours they are eligible to receive for from the date of reinstatement. The student will be responsible to pay for any missed financial aid payments that occurred during the student's termination from financial aid.

11. Leave of Absence:

Students who have completed a minimum of 15% of their contracted hours are permitted to take a leave of absence for medical, personal or other reasons for a maximum of 180 days as long as the request is made in advance and in writing. Students will not be permitted to take more than one leave of absence in any 12-month period. At the discretion of the director, a leave of absence may be granted if unforeseen circumstances exist. The student's satisfactory progress will be the same when returning from a leave of absence as it was before the leave. Students who receive Veterans Benefits and take a leave of absence will have their benefits terminated. Upon returning from the leave of absence, the student's contract end date and maximum time frame will be extended by the same number of days taken in the leave of absence. In the event a student does not return from leave of absence on or before the end date, the withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

12. Interruptions, Course Incompletes, Withdrawals:

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

13. Noncredit, Remedial Courses, Repetitions:

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

14. Re-enrollment:

Any student making satisfactory progress at the point of withdrawal may apply for re-enrollment in the school and will be considered to be making satisfactory progress at the point of re-entry, however, a student failing to meet satisfactory progress requirements at the point of withdrawal will have the same status when they return. Students who are discontinued from this school for unsatisfactory progress will be permitted to re-enroll one time. If they are discontinued again, they will not be permitted to re-enroll unless they can prove special circumstances for their poor attendance/performance. If a student wishes to re-enroll a second time, they must set up an appointment with the school's manager to explain these circumstances.

A student who is deemed by the school to need additional review work will not be charged for this additional work. An exception to this policy may be made in the case of students who have transferred from another institution which teaches under a different system than does this institution. In that case, the determination of the number of additional hours will be based both on the length of time the student has been out of school as well as the system utilized by the first institution.

15. Different Program:

If a currently attending student withdraws from a program or completes a program then enrolls in a different program at any campus location, there will be no effect on Satisfactory Academic Progress.

VETERAN TRANSITION POLICY:

In accordance with Section 103 of the Veterans Benefits and Transition Act of 2018; Raphael's School of Beauty Culture will not impose any penalty, including assessment of late fees, the denial of access to classes or other institutional facilities, or the requirement that recipients of Chapter 31 or Chapter 33 borrow additional funds to cover the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of a payment by the U.S. Department of Veteran Affairs. This policy is limited to tuition funds paid by the U.S. Department of Veteran Affairs.

VA PROGRESS POLICY:

VA students must maintain a minimum of 80% attendance and a 70% academic percentage. VA students' progress will be reviewed every 30 days. VA students who do not maintain the minimum 80% attendance and/or 70% academic percentage will be placed on warning for the next 30 days. If academic or attendance is still unsatisfactory, they will be placed on probation for an additional 30 days. If after 30 days, their progress still remains unsatisfactory, they will be terminated. When their attendance and/or academic progress is above the minimum, they will be removed from warning or probation and they will return to satisfactory status.

ANNUAL SAFETY AND SECURITY REPORT

STATISTICAL REPORTING

Raphael's School of Beauty Culture is committed to maintaining the highest standards for the safety and security of every person on campus. Raphael's School of Beauty Culture has specific responsibility for all aspects of the campus safety program, but campus safety is also the responsibility of all administrators, staff and faculty in their areas of operation. Staff, students and clients can also help to keep Raphael's School of Beauty Culture campus secure by following campus safety policies, reporting crimes immediately to the campus Manager and offering suggestions for improvements.

Raphael's School of Beauty Culture complies with all requirements of the Clery Act, the federal law that mandates specific details of the security and fire safety programs on all university campuses. Below is a list that provides an inventory of the Clery Act that demonstrates Raphael's School of Beauty Culture's compliance.

CLERY ACT REQUIRED POLICY AND PROCEDURE CHECKLIST

I. Overview of Police/Security Department:

Raphael's School of Beauty Culture does not have on-campus housing, therefore we do not have an on-campus police or security department.

II. Reporting Procedures:

1. All criminal actions or other emergencies occurring on campus must be brought to the attention of a responsible employee on campus. The designated responsible employee at each campus is the campus manager. If the campus manager is not available, any staff member should be alerted.
2. The responsible employee will determine the severity of the situation and action to be taken. The Corporate Office will either be notified of the action taken or will decide on the action to be taken, depending on the type of emergency. When necessary, alerts will be sent to students via text or email messages and the proper authorities will be notified.
3. The responsible employee at each campus to whom students and employees should report the criminal offenses described in the law for the purpose of making timely warning reports and the annual statistical disclosure. **Note: Report crimes immediately to the campus Manager.**
4. Raphael's School of Beauty Culture encourages accurate and prompt reporting of all crimes to the campus police and the appropriate police agencies.
5. Victims or witnesses may report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics. See *Confidential Reporting* in the Title IX Procedures and Policy.
6. A list of counseling centers, safe houses and other agencies is available with the campus Manager at each campus location.

III. Timely Warning Procedures:

1. The circumstances for which a warning will be issued include, but are not limited to, an emergency event affecting the safety of staff, students and clients at an individual campus site that requires a lock-down situation, a weather event that requires immediate attention for closure, evacuation or safe cover, or a local or national event that requires closure, evacuation or safe cover.
2. The individual or office responsible for issuing the warning is the Director of Student Services, Mary Kay Beight (330-782-3395 ext. 1112, mkbeight@raphaelsbeautyschool.edu) as ordered by the owner, Ralph Delserone III.
3. The manner in which the warning will be disseminated is through text or email messages sent directly to the students to whom the event affects.

IV. Emergency Response & Evacuation Procedures and Policies:

1. Students provide a cellular phone number and email address during the enrollment process to which the school can send emergency notifications. A test message is sent to the students during their first week of enrollment with instructions on how to confirm the message was received. A campus-wide test is administered each year.
2. Raphael's School of Beauty Culture will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on the campus.
3. The owner, Ralph Delserone III, is responsible for carrying out the following actions:
 - a. Confirm that there is a significant emergency or dangerous situation by discussing the situation with the campus Manager or other responsible employee;
 - b. Determine the appropriate segment or segments of the campus community to receive a notification;
 - c. Determine the content of the notification;
 - d. Initiate the notification system by instructing the Director of Student Services, Mary Kay Beight, to send the message to the staff and students.
4. If there is an immediate threat to the health or safety of students or employees occurring on campus—a follow-up message will be disseminated to all staff and students.
5. Raphael's School of Beauty Culture will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.
6. In the event of school closure or delay, all major television networks in the campus viewing area will notified and a message will scroll along the bottom of the screen advising the staff and students of the school's status.
7. The results of the annual emergency notification test response and evacuation procedures are available upon request.
- V. **Local Police Department:** Regarding the monitoring and recording through local police agencies of criminal activity in which students engaged at off-campus locations of student organizations officially recognized by the institution, including student organizations with off-campus housing facilities, Raphael's School of Beauty Culture has no off-campus locations for officially recognized student organizations, nor does Raphael's School of Beauty Culture sponsor off-campus housing facilities.

If the above does occur, the Student understands that he/she must complete a counseling or rehabilitation program before being considered for re-entry into this school.

X. Crime Statistics: Each year, local police departments are requested to provide crime statistics for campus properties and surrounding areas for preparing the annual disclosure of crime statistics.

XI. Annual Fire Safety Report: The fire safety report is included in the annual Campus Security Report.

ANNUAL SECURITY REPORT POLICY STATEMENTS

Law Enforcement Relationships & Jurisdiction: Raphael's School of Beauty Culture does not have on-campus security. The local law enforcement agency will be called for crimes committed on the school's property. Procedures Victims Should Follow if a Crime of Sexual Assault, Domestic Violence, Dating Violence, or Stalking Has Occurred: An individual who believes that he or she is the victim of sexual misconduct or has witnessed an Incident of sexual misconduct is encouraged to make a report. The school encourages all individuals to seek assistance from a medical provider and/or law enforcement immediately after an incident of sexual misconduct. This is the best option to ensure preservation of evidence and to begin timely investigative and remedial response. Anyone who believes that he or she is the victim of sexual misconduct or has witnessed an incident of sexual misconduct is encouraged to follow these procedures to report the incident. To file a complaint students or staff should first speak to either:

Responsible Employees
Title IX Coordinator

Managers of all campus locations
330-782-3395 Ex. 1107

Disciplinary Action: The complainant and the alleged perpetrator will be notified in writing of the outcome of the complaint. When considering sanctions the committee will consider whether the sanction will: (a) bring an end to the violation in questions, (b) reasonably prevent a recurrence of a similar violation, and (c) remedy the effects of the violation on the complainant and the school community. The following represent the range of sanctions. Possible sanctions are not limited to those listed below. Sanctions may be combined.

Counseling: Students may be required to attend counseling. If mandated to attend counseling, the student will be responsible for any costs.

Disciplinary: Students will be placed on probation for a specific period of time. During the time if there are additional violations they may be dismissed from the school.

Formal Apology: A written statement in which the student reflects and apologizes for their behavior.

Education: Students may be required to participate in an educational program or experience.

No-Contact Order: A directive that mandates a student not to contact another student. A no-contact order includes contact, including in person, via e-mail, telephone, text messaging, Facebook or any other method of electronic or direct communication. The order also includes third parties acting on the person's behalf. It warns the student that any contact could be considered a violation of school policy.

Suspension: The student may be excluded from participation in any academic or other activities of the school for a specified period. Students who have been suspended from the school forfeit all school fees, are withdrawn from school courses contingent on the academic calendar (if after the withdrawal date, students receive F grades), and are not permitted on campus or at school sponsored events without the permission of the school Director. Students who are suspended are permitted to reapply to the school as long as they fulfill all requirements of the suspension.

Expulsion: Expulsion is permanent exclusion of the school. Students who have been expelled forfeit all school fees, are withdrawn from school courses contingent on the academic calendar (if after the withdrawal date, students receive F grades), and are not permitted on campus without the permission of the school Director. Students who are expelled are not permitted to reapply at the school.

Confidentiality: All reports of sexual misconduct will be handled in confidence to the extent allowed by law. The information reported will be shared only with those school employees who will assist in aiding the victim, conducting the investigation and/or the resolution of the complaint. The school will respect the privacy of all parties involved in a report of sexual misconduct.

The student may request confidentiality when reporting an assault by requesting that his or her identity be omitted from the report. When a victim requests confidentiality, it may limit the school's ability to thoroughly investigate and respond. A witness reporting an assault to the school may remain anonymous by requesting that his or her identity be omitted from the report. The request will be reviewed by the Title IX Coordinator.

Although rare, there are times when the school may not be able to honor a victim's request in order to provide a safe, non-discriminatory environment for all students.

When weighing a victim's request for confidentiality or that no investigation or discipline be pursued, the Title IX Coordinator will consider a range of factors, including the following.

■ The increased risk that the alleged perpetrator will commit additional acts of sexual or other violence, such as:

- ◆ Whether there have been other sexual violence complaints about the same alleged perpetrator;
- ◆ Whether the alleged perpetrator has a history of arrests or records from a prior school indicating a history of violence;
- ◆ Whether the alleged perpetrator threatened further sexual violence or other violence against the victim or others;
- ◆ Whether the sexual violence was committed by multiple perpetrators;

■ Whether the sexual violence was perpetrated with a weapon;

■ Whether the victim is a minor;

■ Whether the school possesses other means to obtain relevant evidence of the sexual violence (e.g., security cameras or personnel, physical evidence);

■ Whether the victim's report reveals a pattern of perpetration (e.g., via illicit use of drugs or alcohol) at a given location or by a particular group.

The presence of one or more of these factors may lead the school to investigate and, if appropriate, pursue disciplinary action. If none of these factors is present, the school will likely respect the victim's request for confidentiality.

If the school (Title IX Coordinator) determines that it cannot maintain a victim's confidentiality, the school (Title IX Coordinator) will inform the victim prior to starting an investigation and will, to the extent possible, only share information with people responsible for handling the school's response. The school will remain ever mindful of the victim's well-being, and will take ongoing steps to protect the victim from retaliation or harm and work with the victim to create a safety plan. A safety plan is tailored for the individual depending on the nature of the circumstances. Retaliation against the victim, whether by students or school employees, will not be tolerated and is strictly prohibited under Title IX.

Written Notification: The investigative report will be compiled by the Title IX Coordinator, will be maintained in a confidential manner, and will be made available for review by the hearing committee and complainant and respondent prior to the hearing. The investigative report may include, but is not limited to the following:

- *Complainant's written statement
- *Investigative summary
- *Other documents utilized by the Title IX Coordinator that he/she deems relevant to the adjudication.
- *Respondent's written statement
- *Pertinent policies

Once the investigation is complete the school strives to complete the investigative report within 5 business days. The investigative report is made up of confidential information. Therefore, the complainant and respondent may review the report, but it will not be copied, and may not be removed by any party. Those reviewing the investigative report will be permitted to take notes.

Programs to Prevent Dating Violence, Domestic Violence, Sexual Assault, & Stalking: Raphael's School of Beauty Culture will not tolerate domestic violence, dating violence, sexual assault, stalking, or other forms of sexual misconduct. Offenders may be subject to appropriate campus adjudication processes, disciplinary action, and/or criminal proceedings. Raphael's School of Beauty Culture utilizes procedures that provide prompt, fair, and impartial investigation and resolution in cases involving domestic violence, dating violence, sexual assault, and stalking. These procedures are carried out by officials who receive specific annual training.

Sexual Violence: Sexual violence is a form of sexual harassment and services are available to students, faculty, and staff who experience sexual violence, domestic violence, dating violence, and instances of stalking.

In these situations, Raphael's School of Beauty Culture is committed to providing crisis intervention measures for students, faculty, and staff, as well as appropriate administrative response for the complainant and respondent; referring individuals to criminal authorities; and educating and promoting discussion on interpersonal abuse and violence issues. The school's process does not preclude adjudication under state law.

Raphael's School of Beauty Culture prohibits retaliation by its officers, employees, students, or agents against a person who exercises his or her rights or responsibilities under any provision federal or state law, including Title IX and the Campus SaVE Act, or this policy.

Prevention Efforts

Raphael's School of Beauty Culture attempts to offer a safe learning environment for all members of the campus community. To accomplish this, Raphael's School of Beauty Culture considers the educational programming that addresses all aspects of domestic violence, dating violence, sexual assault, and stalking (safety precautions and prevention, crisis management, reporting, medical and counseling services, the campus response to sexual violence, domestic violence, dating violence, and instances of stalking, and physical surroundings throughout the campus community).

Raphael's School of Beauty Culture develops educational programs concerning domestic violence, dating violence, sexual assault, and stalking. For additional information about campus educational programs concerning domestic violence, dating violence, sexual assault, and stalking, contact the Title IX coordinator and/or the campus manager.

Raphael's School of Beauty Culture continually reviews and modifies its physical surroundings to enhance security and safety, such as parking lot lighting, locking procedures, signage, etc.

How To Be an Active Bystander

Bystanders play a critical role in the prevention of sexual and relationship violence. They are individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it. We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander. If you or someone else is in immediate danger, dial 9-1-1. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

- Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are OK.
 - Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
 - Speak up when someone discusses plans to take advantage of another person.
 - Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
 - Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.
- (Bystander intervention strategies adapted from Stanford University)*

Risk Reduction Tips

With no intent to victim blame and recognizing that only rapists are responsible for rape, the following are some strategies to reduce one's risk of sexual assault or harassment.

- **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
 - Try to **avoid isolated areas**. It is more difficult to get help if no one is around.
 - **Walk with purpose**. Even if you don't know where you are going, act like you do.
 - **Trust your instincts**. If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.
 - **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
 - **Make sure your cell phone is with you** and charged and that you have cash money.
 - **Don't allow yourself to be isolated** with someone you don't trust or someone you don't know.
 - **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.
 - **When you go to a social gathering, go with a group of friends**. Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
 - **Trust your instincts**. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 9-1-1 in most areas of the U.S.).
 - **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, get a new one.
 - **Don't accept drinks from people you don't know or trust**. If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
 - **Watch out for your friends, and vice versa**. If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
 - **If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 9-1-1 in most areas of the U.S.)**. Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).
- If you need to get out of an uncomfortable or scary situation, here are some things that you can try:
- **Remember that being in this situation is not your fault**. You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
 - **Be true to yourself**. Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
 - **Have a code word with your friends or family** so that if you don't feel comfortable, you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
 - **Lie**. If you don't want to hurt the person's feelings, it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
 - **Try to think of an escape route**. How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
 - **If you and/or the other person have been drinking**, you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

Reporting

A guiding principle in the reporting of domestic violence, dating violence, sexual assault, and stalking is to avoid possible re-victimizing of the complainant by forcing the individual into any plan of action. It is recommended that a person who has experienced domestic violence, dating violence, sexual assault, assault, or stalking consider each of the following:

1. Getting to a safe place.
2. Avoiding the destruction of evidence by bathing, douching, changing clothes, or cleaning up in any way. Preserve evidence in a paper bag for possible future action. Also, keep copies of emails, text messages, and voice messages.
3. Pursuing medical treatment. Post-assault medical care can be performed at a local emergency room. Many hospitals have a specialized examiner who can complete an exam for victims of sexual violence. Such an exam can help the victim receive an appropriate medical assessment and treatment, and can preserve evidence for possible future action.
4. Pursuing counseling services with appropriate agencies (a list is available with your campus Manager). Calling someone that is known and trusted, such as a friend or counselor, and discussing with this person the assault can help to evaluate the trauma to sort out next steps.
5. Making a police report. You can initiate a campus and/or criminal complaint for the assault. You may obtain assistance from campus authorities in this notification.
6. Making a report to a campus security authority (CSA), Title IX coordinator, deputy Title IX coordinator, or other responsible employee under Title IX.
7. Making an anonymous report. An anonymous report to the police notifies them that an act of sexual violence has occurred but gives no names or identification.

Consider Filing a Police Report

A report to the police can empower the complainant by exercising her/his legal rights and can aid in the protection of others. Raphael's School of Beauty Culture staff will encourage the complainant to file a police report and will assist the complainant in notifying the police if requested. The police will then advise the complainant of the legal process.

- ♦ On-campus and off-campus investigations are investigated by the local police department or other law enforcement agency. When an investigation or legal proceedings occurs off-campus, services are still available through the University.

There may be consequences to waiting to file a police report. Early reports may improve the preparation of a viable prosecution. Filing a police report immediately following the incident does not force the complainant to file charges and prosecute the respondent. However, it does aid in the preservation of valuable evidence if the complainant decides to pursue charges at a later date.

The States Attorney makes all decisions regarding the prosecution of alleged crimes reported to law enforcement.

Alternatives to Immediately Filing a Police Report

1. Report the crime at a later date.
2. Make a complaint to the Title IX coordinator. Such a complaint may be used for actions which include, but are not limited to, on-campus administrative proceedings.
3. Make an anonymous report to the police (a report that notifies the police that a domestic violence, dating violence, sexual assault, or stalking incident has occurred, but gives no names or identification).
4. Contact the Title IX coordinator for help.
5. Contact the Title IX coordinator for more information concerning the administrative process. Faculty and staff may consult with the Title IX coordinator.

STATISTICAL REPORTING

Raphael's School of Beauty Culture will report statistics for sex offenses, domestic violence, dating violence and stalking.

- ♦ If rape, fondling, incest, or statutory rape occurs in the same incident as a murder, the institution will record both the sex offense and the murder in the statistics.
- ♦ For recording reports on stalking, the institution will:
 - Record a crime statistic for each and every year in which the course of conduct is reported to a local police agency or to a campus responsible employee.
 - Record each report of stalking as occurring only at the first location within the school's Clery geography in which a perpetrator engaged in the stalking course of conduct or a victim first became aware of the stalking.
- ♦ For hate crimes, Raphael's School of Beauty Culture will report additional categories of bias on gender identity and national origin.
 - The school will report to the Department of Education and disclose in our annual security report statistics the total number of crime reports that were "unfounded" and subsequently withheld from the crime statistics.

Definitions and Terms

Sexual Misconduct is defined as any activity of a sexual nature that violates another individual's physical and/or emotional well-being or personal space without that person's explicit consent. Sexual misconduct incorporates a range of behaviors including rape, sexual assault (which includes any kind of nonconsensual sexual contact), sexual harassment, relationship violence, stalking, and any other conduct of a sexual nature that is nonconsensual or has the purpose or effect of threatening, intimidating, or coercing a person(s). Sexual misconduct occurs when there is a lack of mutual consent about sexual activity or if there is ambiguity about whether consent has been given.

Behaviors that violate the Sexual Misconduct Policy include, but are not limited to the following:

Sexual Assault: Any type of sexual contact or behavior that occurs without the explicit consent of the other person or is obtained through the use of force, threat of force, intimidation or coercion. Defined for the purposes of this policy, "sexual assault" encompasses a wide range of criminalized sexual conduct, including rape and sexual battery. Ohio Revised Code (O.R.C.) section 2907.01 defines "sexual conduct" as "vaginal intercourse between a male and female; anal intercourse, fellatio and cunnilingus between persons regardless of sex; and, without privilege to do so, the insertion, however slight, of any part of the body or any instrument, apparatus, or other object into the vaginal or anal opening or another. Penetration, however slight, is sufficient to complete vaginal or anal intercourse."

Rape: Sexual intercourse by forcible compulsion or threat of forcible compulsion.

- Compulsion can be use of physical, intellectual, moral, emotional or psychological force, either expressed or implied.
- It also includes sexual intercourse with a person who is unconscious or unaware that sexual intercourse is occurring or when their power to resist has been substantially impaired by drugs, alcohol or other means.

Sexual Contact: Includes intentional contact with breasts, buttocks, groin, genitals, mouth or other bodily orifices of another person or touch another person with any of these body parts or making another person touch you or themselves with any of these body parts. It also includes intentional contact with any bodily part in a sexual manner.

Sexual Violence: Physical contact or other non-physical conduct of a sexual nature in the absence of clear, knowing and voluntary consent.

Examples including but not limited to:

- Non-consensual sexual intercourse, defined as any sexual penetration (anal, oral, or vaginal), however slight, with any body part or object by any person upon any person without consent.
- Non-consensual sexual contact, defined as any intentional sexual touching, with any body part or object by any person upon any person without consent.
- Sexual exploitation, defined as taking non-consensual, unjust or abusive sexual advantage of another. Examples include, but are not limited to, prostituting another student, non-consensual video or audio-taping of sexual activity, going beyond the boundaries of consent (such as knowingly allowing another to surreptitiously watch otherwise consensual sexual activity), engaging in non-consensual voyeurism, and knowingly transmitting or exposing another person to a sexually transmitted infection (STI) without the knowledge of the person.
- Sexual harassment, as defined in applicable university policy.
- Indecent exposure, defined as the exposure of the private or intimate parts of the body in a lewd manner in public or in private premises when the accused may be readily observed.

Stalking: Defined as in the Ohio Revised Code (O.R.C.) section 2903.211 Menacing by Stalking. (1) No person by engaging in a pattern of conduct shall knowingly cause another person to believe that the offender will cause physical harm to the other person or cause mental distress to the other person. In addition to any other basis for the other person's belief that the offender will cause physical harm to the other person or the other person's mental distress, the other person's belief or mental distress may be based on words or conduct of the offender that are directed at or identify a corporation, association, or other organization that employs the other person or to which the other person belongs. (2) No person, through the use of any electronic method of remotely transferring information, including, but not limited to, any computer, computer network, computer program, or computer system, shall post a message with purpose to urge or incite another to commit a violation of division of this section. (3) No person, with a sexual motivation, shall violate division (1) or (2) of this section.

Examples of Stalking behaviors and activities may include, but are not limited to:

- Non-consensual communication, including face-to-face communication, telephone calls, voice messages, e-mails, text messages, written letters, gifts, or any other communications that are undesired and place another person in fear.
- Pursuing, following, waiting, or showing up uninvited at or near a residence, workplace, classroom, or other places frequented by the victim.
- Surveillance or other types of observation including staring, and/or peeping.
- Trespassing and/or vandalism targeted at a specific person.
- Gathering information about an individual from friends, family, and/or co-workers.

Some examples of cyber-stalking may include, but are not limited to:

- Repetitive nonconsensual or unsolicited emails.
- Instant messages and messages posting in on-line bulletin boards.
- Unsolicited communications about a person, their family, friends, or co-workers that may be deemed threatening.
- Sending/posting unwelcomed and unsolicited messages with another username.
- Using electronic devices or software to track and/or obtain private information and to contact and/or post threatening or personal information.

Relationship Violence: Includes Domestic Violence and Dating Violence: Domestic Violence, defined as in the Ohio Revised Code (O.R.C.) section 2919.25 Domestic violence. No person shall knowingly cause or attempt to cause physical harm to a family or household member. No person shall recklessly cause serious physical harm to a family or household member. No person, by threat of force, shall knowingly cause a family or household member to believe that the offender will cause imminent physical harm to the family or household member.

Dating Violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of the relationship shall be determined based on a consideration of the following factors: Length of the relationship; Type of relationship; and the frequency of interaction between the persons involved in the relationship.

Hate Crimes: Ohio law broadly defines hate crimes as criminal acts motivated by prejudice or intolerance and directed toward a member of a gender, racial, religious or social group. The Ohio statute that speaks directly to hate crimes is the "ethnic intimidation" provision under section 2927.12 of the *Ohio Revised Code*, which prohibits commission of the misdemeanor crimes of aggravated menacing, menacing, criminal damaging, criminal mischief, and some types of telephone harassment, when done "by reason of" the race, color, religion or national origin of another person or group of persons.

Sexual Harassment: Involves the behavior of a person of the opposite or same sex, and occurs when such behavior constitutes unwelcome sexual advances, unwelcome requests for sexual favors, and other unwelcome verbal or physical behavior of a sexual nature and is so severe, pervasive and objectively offensive that it has the purpose or effect of substantially interfering with a person's academic performance, employment or equal opportunity to participate in or benefit from school programs or activities or by creating an intimidating, hostile or offensive working or educational environment.

Examples of sexual harassment include, but are not limited to the following behaviors.

- Sexually degrading words or gestures to describe an individual.
- Unnecessary touching, patting, pinching, or brushing another's body or clothing.
- Comments about an individual's body, clothing or lifestyle which have sexual implications.
- Repeated offensive sexual flirtation, leering or ogling.
- Display of sexually demeaning objects, pictures, or cartoons in hallways, outdoor areas and rooms publicly accessible to members of the school community, including offices.
- Conduct of a sexual nature that interferes with an individual's academic or work performance or creates an intimidating, hostile or offensive environment.
- Implied or direct threats or insinuations that an individual's refusal to submit to sexual advances will adversely affect the individual's status, evaluation, wages, advancement, duties or career development.

Advisor – The role of the advisor is to advise and support the student during the course of the complaint process. The advisor may accompany the student to all meetings relating to the disciplinary proceedings. The advisor may not appear in lieu of the student or otherwise represent their advisee during the process.

Amnesty – Victims of sexual assault who are using alcohol or drugs at the time of the assault will be given immunity from violations of the school alcohol or drug policy.

Coercion: The use of emotional manipulation to persuade someone to do something they do not want to do.

Can take the form of pressure, threats, intimidation, or the use of physical force, either expressed or implied, which places a person in fear of immediate harm or physical injury.

Can also take the form of pressure to consume alcohol or other drugs prior to engaging in a sexual act.

Complaint: A formal allegation of wrongdoing or violation of the sexual misconduct policy that may result in a formal investigation.

Complainant: For the purposes of this policy, the recipient or target of alleged sexual misconduct will be referred to as the complainant. They are also often referred to as the victim or survivor in sexual misconduct investigations. It should be noted that an investigation of sexual misconduct may be initiated by someone who is not necessarily the recipient or target of the sexual misconduct. Filing a complaint does not automatically imply that formal disciplinary charges will occur.

Consent: Consent is defined as clear permission between individuals. Consent must be positively established. It is never presumed. To consent to something means you confidently agree to participate based on your own free will without any influence or pressure.

- Consent is informed, knowing, and voluntary.
- Consent is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage in sexual activity.
- In the absence of an outward demonstration, consent does not exist.
- Consent to engage in sexual activity may be withdrawn by either party at any time. Withdrawal of consent must also be outwardly demonstrated by words or actions that clearly indicate a desire to end sexual activity. Once withdrawal of consent has been expressed, sexual activity must cease.
- A previous sexual relationship, and/or current relationship, may not, in itself, be taken to imply consent.
- Consent does not exist if it results from the use of physical force, intimidation, coercion or incapacitation. If a sexual act is occurring and physical force, intimidation, coercion or incapacitation develops, there is no longer consent.
- Consent cannot be given if a person is impaired, incapacitated by alcohol or drugs, underage, mentally challenged, unconscious, or asleep.
- Use of alcohol or drugs does not diminish one's responsibility to obtain consent, and does not excuse conduct that constitutes sexual misconduct under this policy.

Incapacitation: The inability, temporarily or permanently, to give consent, because someone is mentally and/or physically helpless, unconscious, or unaware due to drug or alcohol consumption (voluntarily or involuntarily), or for some other reason. Incapacitation means a person does not have the ability to give consent.

Investigation: A fact-finding inquiry into a complaint.

Investigation Summary: A summary written, based on interviews with the respondent, witness, complainant and any other source of information obtained during the investigation. This summary will be part of the documentary record and will be presented to the Sexual Misconduct Committee.

Respondent: A person against whom a complaint of sexual misconduct is made.

Retaliation: Intimidating conduct or other acts against anyone involved in or connected to an allegation of sexual misconduct. This can include, but is not limited to: texts, emails, conversations, phone calls or other contact, whether directly or through a third party, friends or acquaintances. All forms of retaliation are prohibited.

Sexual Misconduct Committee (SMC): The school body charged with hearing complaints of student-to-student sexual misconduct.

Witness: Any person (as determined by the investigation) who may have information about the incident in question.

GRADING PROCEDURE

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass a final written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

90 - 100%	= A	Excellent
80 - 89%	= B	Good
70 - 79%	= C	Satisfactory
69 & below	= F	Failing

ATTENDANCE: The school opens for students at 8:00 a.m. to allow students to make up missed hours. The classes are from 9:00 a.m. to 5:00 p.m. on Tuesday through Saturday. Students may attend full time at 28, 32, or 34 hours per week or part time at 19 hours per week. Evening classes are only available at the Niles campus from 4:00 p.m. to 9:00 p.m. All students are required to attend 16 Saturday hours per month. Any students attending less than 67% of their scheduled hours at their specified SAP evaluation point are placed on warning or probation, as applicable.

COURSE EVALUATION: The students are evaluated, counseled and graded using written and practical tests at specific hours of attendance or at any time a student or instructor feels the need to counsel the student. The students are informed of evaluations at those times on report cards.
